***Nightcore***

**12 November - 18 December 2021**

Envy6011 - Real Fine Art is pleased to present Nightcore an exhibition of new and recent paintings - bringing together Auckland based artist Pippi Nola alongside international peers, Catherine Mulligan (USA), Michelle Uckotter (USA) and Victoria Todorov (AUS).

Nightcore looks at four artists whose work, each in their distinct style, explore figuration in colour-soaked campy settings. Pop culture nods toward club culture, slasher movies, candid night-out phone photos and music video references tangle the paintings together - Nightcore - chopped and screwed, sped up and spat out.
