25 November - 17 December 2022

Envy6011 is honoured to present 'Drawings from the Restricted Programmes', opening from 11am Friday 25 November.

With special thanks to the Learning Connexion and everyone involved in facilitating this project. All drawings in this exhibition have been submitted with the support of each student participating within the programme.

Back in 2005 a small team within The Learning Connexion School of Creativity and Art was established to specifically dedicate its focus to Corrections students. This team includes qualified mentors, tutors and specialist support staff working together to ensure that students within corrections facilities can pursue and complete certificate and diploma programmes.

The Learning Connexions pedagogy is student-centred, hands-on, and emphasises the connections between the processes of arts and the wider field of creativity.

Restricted Programmes is currently delivered into every prison across Aotearoa. This exhibition presents a small sample of drawings from this programme.

All works in this exhibition are strictly for exhibition purposes only and will be returned to the students at the end of exhibit.
